February 3, 2017
Women in Data Science (WiDS) Conference

ORGANIZERS
Maria Gini, University of Minnesota, Twin Cities
Claudia Neuhauser, University of Minnesota, Twin Cities
Lan Wang, University of Minnesota, Twin Cities

KEYNOTE SPEAKERS
Deepti Pachauri, 3M
Catherine Qi Zhao, University of Minnesota, Twin Cities
Lynn Eberly, University of Minnesota, Twin Cities

The IMA is hosting a regional Women in Data Science (WiDS) event held in conjunction with the 2nd annual WiDS Conference taking place at Stanford University. The WiDS Conference aims to inspire and educate data scientists, regardless of gender, and support women in the field. The IMA event will feature talks by local scientists, a poster session, and live-stream of the conference. Please note this is intended for local participants as no funding is available.
