August 14–18, 2017

Phaseless Imaging in Theory and Practice: Realistic Models, Fast Algorithms, and Recovery Guarantees

ORGANIZERS
Mark Iwen, Michigan State University
Rayan Saab, University of California, San Diego
Aditya Viswanathan, University of Michigan–Dearborn

WORKSHOP SPEAKERS
Radu Balan, University of Maryland
Emrah Bostan, University of California, Berkeley
Albert Fannjiang, University of California, Davis
James Fienup, University of Rochester
Andrew Maiden, University of Sheffield
Stefano Marchesini, Lawrence Berkeley National Laboratory
Andreas Menzel, Paul Scherrer Institute
Amit Singer, Princeton University
Andrej Singer, University of California, San Diego
Yang Wang, Hong Kong University of Science and Technology
Guoan Zheng, University of Connecticut
